

**Participants can earn one additional pin for each of the following activities:**

Attend a live virtual program or watch a recorded program on the library's YouTube channel.

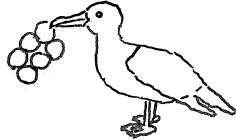

Pick a Science Night video on the library YouTube channel and try out the experiment.

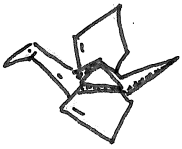

Coloring your world – draw with sidewalk chalk, or sketch or paint something from the natural world.

Participate in a beach clean-up.

Create a take-and-make craft from the library or check out a craft book and make something from it – and then send us a picture!

Visit one of Lincoln City's Open Spaces and take a picture on the trail.

Create color in your yard or home – plant a flower or colorful plant.

Eat the rainbow – create a colorful meal and take a picture.

Visit an art gallery, or find an online gallery tour.

Decorate a rock and leave it for someone else to find.

Read to a parent, child, friend, or pet! (You can even come read to the library axolotls, if you want!)

Like the library on Facebook.

Follow the library on Instagram. (driftwoodpubliclc)

Subscribe to the library's YouTube channel.

Visit the Friends book sale.

Check out a book or DVD from the library.
